CONSERVATIVE MASS MEETING AT SMITHFIELD, N. C.

At one o'clock, P. M., Feb. 25th., the Conservative men of Johnston County assembled at the Court House, to carry into effect the plan of organization recommended to the different counties by the State Convention held recently in your city.

Notwithstanding the inclemency of the weather, there was a large crowd of people present from every part of the county, all anxious to participate, but the dimensions of our room were inadequate, and many had to remain outside.

On motion of Mr. Wm. H. Avera, Seth Woodall was called to the Chair, and B. A. Woodal, E. A. Bizzell and John McC Guy were chosen Secretaries.

Mr. James H. Abell, by request, briefly, though impressively, explained the object of the meeting.

On motion of Mr. E. S. Parker, a committee of fifteen, one from each Captain's District, to wit: Messrs. Jesse T. Ellington, J. W. Hodges, Amos Coats, Major Ryals, R. A. Adams, George Keen, W. N. Rose, Josiah Strickland, Willie Hastings, Perry Godwin, Thos. Oliver, J. T. Pike, Wm. H. O'Neal, and Jesse Hinnant, was appointed to draft resolutions for the consideration of the meeting.

During the absence of the committee, the meeting was ably addressed by Hon. Sion H. Rogers and Messrs. Geo. V. Strong and C. B. Sanders. Their speeches were enthusiastically received, and if bright countenances indicate a well founded hope of success for the Conservative cause in Johnston, then, that success is already gained, for there were no gloomy faces, except a few, and they were carried around by those who desire not the good of the *White People* of the State.

The committee having returned, through Mr. J. T. Ellington presented the following resolutions, namely:

Resolved, 1st. That we heartily endorse the principles set forth in the resolutions adopted by the late Conservative Convention assembled at Raleigh, and that we will use our best endeavors to insure the triumph of those principles, and that we concur in the plan of organization therein adopted.

Resolved, 2nd., That the Chairman of this meeting appoint a County Committee, to consist of three from each precinct.

Resolved, 3d., That the Chairman appoint twenty five delegates to the District Convention, whenever and wherever held, to nominate a candidate to represent this Congressional District in Congress.

On motion the resolutions were adopted, and the Chairman proceeded to appoint as County Committee, viz: Messrs. Samuel Horn, Joseph Smith, Daniel Gardner, Z. T. Lemay, Col. Wm. Johnson, W. S. Long, J. P. Edmunson, J. B. Johnson, Amos Coats, Benjamin Godwin, Parrot Creech, N. B. Barber, R. A. Adams, Tilghman Lee, Nathan Tart, George Keen, A. G. Adams, E. O. Beasley, S. P. Horton, John Avera, Needham Vinson, E. A. Bizzell, S. W. Blackman, Ezekiel Stevens, Josiah Strickland, Williams Brown, J. R. Creech, K. B. Whitley, V. B. Smith, Wm. Raines, Clark Gerrald, W. J. Peeden, Jackson Raines, Robert Hatcher, Perry Godwin, John B. Broadwell, J. T. Pike, James Sasser, Turner Joyner, Joseph Hare, Wm. H. O'Neal, Wyatt Earp, Jesse Hinnant, J. W. Lea, and James Jeffreys.

In pursuance of the third resolution, Messrs. S. R. Horn, N. G. Gulley, Z. J. Lemay, Dr. J. T. Leach, J. B. Johnson, L. H. Sanders, Maj. H. J. Ryals, Col. B A Woodall, N H Adams, J W Woodall, Wm N Rose, J C Hood, Sr., David Adams, David Smith, L R Waddell, Willis H Sanders, C B Sanders, Dr E M Secor, V B Smith, K B Whitley, John W Sharp, A M Noble, J T Pike, Jesse Parker, Perry Godwin, J W Lea and Jesse Hinnant, were appointed delegates to the District Convention.

The Secretaries were requested to furnish a copy of the proceedings of this meeting to the *Sentinel* for publication.

On motion, the meeting adjourned.

CONSERVATIVE MEETING IN WILSON.

According to previous notice given, a large number of the Conservative citizens of the county met at the Court House in the town of Wilson, on Saturday, the 29th. February, and organized by appointing Dr. J. M. Taylor, Chairman, and B. F. Briggs, Secretary.

Dr. A. G. Brooks, moved the appointment of a committee of five to draft resolutions expressive of the object of the meeting.—The Chair appointed on the above committee, Dr. A. G. Brooks, Jas. S. Woodard, C. S. McDaniel, Jas. W. Davis and A. Branch. The committee reported the following, which, on motion, were read and adopted:

Resolved, 1st. That we most heartily endorse the declaration of principles set forth by the Convention of the Conservative people of North Carolina, assembled at Raleigh on the 5th. and 6th. of this month, and that we pledge our best efforts to secure their triumphant success.

Resolved 2d. That we approve of the plan of organization adopted by said Convention, and that, in pursuance thereof, the Chairman of this meeting be requested to appoint five Canvassers for the county at large, and three or more for each Captain's District in his discretion.

Resolved 3d. That the Chairman of this meeting appoint twenty-five delegates to a District Convention, to be held at a time and place hereafter to be designated, for the purpose of nominating a candidate for Congress and delegates to the Democratic National Convention.

Resolved 4th. That we cheerfully and heartily endorse the nominations made by the State Conservative Executive Committee for the various State officers to be voted for at the ensuing election; and especially that of the noble and gifted son of the Old North State, Zebulon B. Vance, for Governor.

The Bankrupt Act.

We have been requested to publish the Bankrupt Law. This is impossible. It makes a respectable volume. In order, however, that our readers may understand it, and may therefore not be liable to be imposed upon by parties, who are indifferent to the interests of others, we have taken some pains to compile from several sources the following general principles of the Act, for the benefit of all who contemplate seeking its benefits. But first of all, we advise our friends not to determine hastily what they will do, until they have had the counsel of a respectable and intelligent Attorney, upon whom they can rely.

1. The manifest design of the Bankrupt Law is to benefit *honest*, but *unfortunate*, debtors, whose just liabilities are greater than they can pay.

2. To become a voluntary bankrupt under this Act, the debtor must owe at least $300, which, of course, he is not able to pay in full.

3. Petitioners under the Bankrupt Act are required to render a schedule of *all* their debts and liabilities, of *every kind and description whatever*, and also an inventory of all their estate, both real and personal, including all property and effects of which they are possessed, or in which they may have an interest, (though not in possession) in conformity with certain "Forms" prescribed in the "General Orders" of the Supreme Court of the United States. These schedules, verified by the oath of the petitioner before a District Court Judge, Register in Bankruptcy, or U S. Commissioner, must accompany the petition, and, when filed, is the commencement of proceedings in Bankruptcy. If it should be found out, pending the proceedings at any time before the bankrupt is discharged, that he has, by any shift or subterfuge, made a false or partial schedule, this would be evidence of fraud and would defeat his discharge.

4. When the petition is by a firm or copartnership, a full set of schedules of the respective estates of the members of the firm should also be added.

5. When the petition is filed, the case is immediately referred to a Register, who examines the petition and schedules annexed thereto, and if they are correct in form, makes a certificate to that effect, to be filed with the Clerk, then adjudges the debtor a Bankrupt and issues a warrant to the messenger to summon all the creditors named in the petitioner's schedules to meet at the Register's office, at a certain time and place, to prove their claims and elect one or more Assignees to take charge of the Bankrupt's estate.

6. A creditor can, however, prove his claim at any time previous to the last dividend, which will generally be six months subsequent to the adjudication of Bankruptcy.

7. No creditor has any standing in a Bankrupt Court until he proves his claim.

8. Creditors have no right to compel the Bankrupt to answer questions concerning the disposal of property by him acquired subsequent to filing a petition in Bankruptcy. "In other words the date of the filing of the petition by or against a debtor, is the date at which, if adjudication of bankruptcy follows, the old order of things passes away and a new leaf is turned over." On this point decisions have been variant. The safe rule appears to be, that the applicant in Bankruptcy has a perfect right to claim whatever he has made after his application, by his personal exertions, but any profits he may have made, from investment or credit, may be liable to the claim of the receiver up to almost the period of his discharge.

9. The Bankrupt can apply to the Court at any time after the expiration of six months, and within one year from the adjudication, for the discharge in bankruptcy, and in case no assets come into the hands of the assignee, or no debts be proved against his estate, at any time after the expiration of sixty days.

10 As soon as an Assignee is elected or appointed, the Judge or Register will convey to him, by deed of assignment, all the bankrupt's property except what is exempted, viz: "Household and kitchen furniture and other necessaries not exceeding in value ($500) five hundred dollars; also his wearing apparel and that of his wife and children, and such other property not included in the foregoing as is exempt from levy and sale upon execution or other process by the laws of the State in which the bankrupt resides, to an amount not exceeding that allowed by State exemption laws in force in 1864." A safe Counsellor suggests, under this head, that the common impression that persons may become bankrupts and yet be allowed to retain their houses and lands, or other property of considerable value, is a great mistake. Under the Act, no honest Bankrupt in this State can have allotted to him free from the operation of the Act, exceeding $700 besides the wearing apparel of himself and family. Bankrupts in this State are not entitled to homesteads under this Act.

11 It is the duty of the assignee, within twenty days after the assignment to him is made, to allot to the bankrupt such articles as are exempted, and file an inventory of the same with the value of each article so allotted, and creditors may make objections to the report of the Assignee at any time within twenty days after it is filed.

12. As to costs in bankruptcy proceedings, section 46 of the Bankrupt Act provides that the petitioner, before a warrant issues, shall deposit fifty dollars with the Register, or with the Clerk, to be delivered to the Register as a security for his fees. General order XXIX provides that the fees of the Register, Marshal and Clerk shall be prepaid or secured before they can be compelled to act. It is also provided by General order XXX, that where the debtor has no means, and can prove the fact to the satisfaction of the Court, upon application, an order will be made requiring all the costs in the case to be paid out of the fifty dollars deposited with the Register. If, however, there are assets, but not enough to pay the Messenger after deducting the Bankrupt's exempted property, so that nothing comes into the hands of the Assignee, the fees will have to be paid by the Bankrupt; but if the Assignee receives assets, the fees of the Messenger will be paid by him before any dividend is made among creditors.

13 Some suppose that the Register is entitled to $50 fee. The fees of the Register, Messenger, Clerk, and costs of publication of notices in Bankruptcy, are fixed by law, and if they demand higher fees, they are liable, as in other cases of malfeasance in office. In ordinary cases of Bankruptcy, the fees may amount to $100. In some cases more, in some less—the costs depending on the amount of labor and litigation involved in each case.

14. Differences of opinion among Attorneys have existed in this State, as to the limit which the Act makes as to the time to make application in Bankruptcy. Some have supposed that no debtor will be permitted to apply for Bankruptcy after some early day in March, unless he is able to pay fifty per cent of his debts. We are assured that this is not the case. The law did not go into operation for the purposes for which it was enacted until June 1st, 1867. It gives twelve months from that time, to all honest debtors, whatever may be the extent of their indebtedness which they cannot pay, in which to present their applications. After the 1st of June next, every debtor must be able to pay fifty per cent of his indebtedness, in order to a successful application in bankruptcy, unless he first obtain the consent of a majority of his creditors.

THE NEXT SESSION of this Institution will open the second Wednesday in February, 1868.

The location is unsurpassed for health and accessibility.

During the past session, in a family of nearly two hundred, there has scarcely been a case of sickness. The health of many invalid young ladies has been thoroughly restored by the celebrated mineral water found here and they have prosecuted their studies with entire success.

We are immediately on the Raleigh & Gaston Railroad, within less than a half mile of Kittrell's Depot, and in telegraphic communication with all parts of the country.

Every facility is afforded for the most thorough and extensive education.

The Faculty is composed of five male Professors and seven lady Teachers.

Everything is new. Our musical instruments, including Piano Organ, Harp and Guitar, are of the finest quality.

Special attention paid to thoroughness in the English Course.

Terms moderate and accommodating.

The young ladies all worship in the College Chapel, and hence no extra clothing is required. Millinery is in no demand at Kittrell's. Parents tell us that their daughters cost them less here, in this respect, than even at home. Taking into consideration the items of dress and medical attendance, there is no cheaper school in the South. Besides, we are determined to accommodate our patrons as far as we can as to time of payment, and to put female education within the reach of the people, in the present depressed condition of the country. Our daughters must be educated.

THE INFAMOUS SO-CALLED.

The proceedings of the niggers and scallawags in the Capitol cess-pool, on yesterday, were only important, as said further illustrating the dishonesty and shamelessness of the filthy concern.

Mr. Holt was refused the undeniable constitutional privilege of having his protest entered of record, against the infamous treatment which his resolutions about Holden, in connection with the assassination of President Lincoln, received.

Mr. Williams, the Conservative and very worthy delegate from Sampson, was excluded, to make way for a mongrel. The report of proceedings will show the utter disregard of law and decency, with which the matter was consummated. While it is hard to bear, with any degree of patience, the outrageous tyranny of these contemptable creatures, and while the true people of North Carolina owe it to themselves to rebuke their ineffable meanness, Mr. Williams is to be congratulated upon his exit from the "Convention." He so felt it, and expressed himself, to that effect, in plain and commendable terms.

The Article on Counties, Cities, Towns, &c., passed its second reading, after having been amended in some unimportant particulars. Mr. Graham, of Orange, and other gentlemen, contested some of its iniquities, but, of course, were overslaughed by a party vote. The article is Radical and offensive throughout,—involving several obnoxious innovations, which, however, only commended it the more. We do not care to publish it, until we give the so-called Constitution entire.

CANVASSERS.—Col. D. C. Clark has been added to the list of Canvassers for Halifax, and Messrs. Jno. A. McDowell and B. F. Rinaldi to those of Bladen.

THE COUNTY CONVENTION—ITS NOMINATIONS.

The Convention of the Conservatives of the County, which assembled in this City, on yesterday, was the largest gathering of the sort we have ever seen in this City.—Nearly every Captain's District in the County was represented,—and largely represented,—and the spirit of the occasion was equal to any which we have witnessed in any former campaign. The white people of the County were here in numbers, and exhibited an interest, an activity and an enthusiasm, that it was most encouraging to behold. We were pleased to see, in the Convention, many who have heretofore acted with the Radicals, under an honestly-mistaken sense of duty, but who now announce their determination to abjure the party of negro-supremacy.

Dr. W. J. Busbee, of the county, presided over the Convention, and Messrs. A. K. Smedes and L. H. Stephenson acted as Secretaries.

After the passage of a resolution, unanimously ratifying the nominations made by the Conservative State Executive Committee, the Convention, by Districts, proceeded to ballot for nominees for Legislative and County officers. The following excellent selections were ultimately made, viz:

FOR THE SENATE.
MOSES A. BLEDSOE.

FOR THE HOUSE OF COMMONS.
J. P. H. RUSS,
JESSE A. NORRIS,
REUBEN FLEMING,
J. J. OVERBY.

FOR SHERIFF.
RUFUS K. FERRELL.

FOR SUPERIOR COURT CLERK.
QUENTIN BUSBEE.

FOR COUNTY COURT CLERK.
J. J. FERRELL.

The various nominees promptly accepted, in neat and appropriate remarks, and, at different times pending the proceedings, stirring and effective speeches were made by Maj. Dunham, J. P. H. Russ, Esq., M. A. Bledsoe, Esq., Dr. E. M. Holt, of Orange, and perhaps others.

As Franklin and Wake are, under the new apportionment, to be associated together in a Senatorial District, having the right to elect two Senators, the Convention took the liberty of asking our Franklin friends to nominate Capt. J. J. Davis.

The following gentlemen were apppointed delegates to a Judicial District Convention, when held, for the nomination of a candidate for Solicitor, viz:

H. J. Tucker, Geo. H. Faribault, Peyton Dunn, Jos. Blake, Jesse Winborn, J. A. McLean, Dr. Allison, F. G. Foster, J. Q. Adams, C. B. Root, J. M. Blair, W. D. Williams, Jno. C. Gorman and R. C. Badger.

And the following, delegates to the Congressional District Convention, when held, to nominate a candidate for Congress, (if advisable,) and delegates to the National Democratic Convention, viz:

Messrs. I H Rogers, G W Norwood, Dr. T W Avera, B J Perkinson, Alonzo Stephenson, G H Alford, Quentin Utley, John Scott, Canady Lowe, Wm Laws, B G Rogers, J Q DeCarteret, Jno W Dunham and Geo W Thompson.

The meeting, altogether, was a glorious one,—evidencing the unity of the true, *bona fide* white men of Wake. Its proceedings, *in extenso*, we must defer until to-morrow, when we shall also take occasion to speak, in fuller and more fitting terms, of the capital nominations which were made.

THE IMPEACHMENT.

The trial of the President of the United States, on the malignant and infamous impeachment of the Jacobin Congress, for his patriotic defence of the Constitution, commenced before the Senate on yesterday. It will be the greatest State trial on record,—involving the life of Republican liberty,—and we will endeavor to keep our readers fully posted as to its leading and most imposing incidents. As to the issue, a great deal depends on the New Hampshire election, which takes place on Tuesday next.

One thing is certain and palpable: The deposition of the Chief Magistrate of the nation, at the despotic caprice of an unscrupulous faction, will sound the death-knell of Republican government on this continent. The fact that such a possibility is contemplated, by the people at large, with such apparent unconcern, it itself a sad indication of their indifference to the preservation of the great rights and liberties for which their fathers fought.

LARGE DEMOCRATIC MEETING IN PHILADELPHIA—THE PRESIDENT SUSTAINED.—A very large meeting was held on Saturday night, in Philadelphia, to sustain the President, and was presided over by Gen. Isaac J. Wistar, assisted by a large number of Vice-Presidents. Gen. Wistar stated that the object was not so much to sustain the President as the Constitution. Ex-Governor Bigler made an elaborate speech, in which he deprecated the existing condition of affairs, but found hope in the forbearance of the people. He charged the National Legislature with violating the faith of the nation in the pledge given of the objects of the war, and alluded to the difference between the Congress and President, and insisted on the President's right to appoint his own Cabinet and remove Mr. Stanton.—Resolutions were passed declaring that the usurpation and revolutionary actions of Congress are rebellion against the Government, protesting against the attempted overthrow of the Judiciary and Executive, pledging support to the President, affirming the supremacy of the white race, and directing that copies be sent to the President and Congress. Speeches were also delivered by Hon. Richard Vaux, Col. McDonald, Col. Lecher, and others.

COMING IN.—Though but a day or two has elapsed since Mr. Helper announced his determination, through the columns of this and other city journals, to publish an illustrated campaign paper to be entitled the *"Holden Record,"* yet orders for from 1 to 15 copies are pouring in daily from every direction.—By the time the first number is issued, it is thought that no less than twenty-five thousand copies will supply the demand. Persons wishing to circulate the nature of their business, over all this and portions of other States, would be wise to come forward and make contracts immediately, as only a limited number of advertisements will be received.—*Register.*

CONSERVATIVES, RALLY!

The ticket presented by the Conservative State Executive Committee is a white man's ticket. Every man is fully competent for the position to which he is assigned, and every man is loyal and true to the Constitution of the United States.

It is composed of men of different views and parties in the past, but they are all one upon the great issues now pending.—They are the friends of Constitutional Union and of civil liberty; opposed to the consolidation of the powers of the government in the hands of Congress, to the overriding of the civil by the military power, and in favor of maintaining the essential rights of the States over their own internal affairs. They are opposed to forcing negro suffrage and its concomitants upon the white people of the State, without their consent.

The ticket has been formed to meet the views of all, and to defeat the new Constitution. *This is the entire object of the Conservative movement.* Should the new Constitution be ratified by the people, of course the Conservatives desire to elect competent, respectable men for the various offices constituted by it.

But we hope every Conservative will remember, that the object, the real and important object, to be secured, *is the defeat of both tickets, by the defeat of the Constitution.*

With this end in view, it is needless for any Conservative to *desire office.* Indeed, all Conservative candidates must ignore office, in order to success, for success is the defeat of all. *Down with the new Constitution, and up with the white man,* should be the rallying cry of all the candidates!

LAND SALES.—We continue to hear of ruinous sales of land in the State, forced into market at Sheriffs' and other sales. In some sections of the State, there is not money enough, except in the hands of a few speculators and more favored persons, to pay for a weekly newspaper.

In one of our Eastern counties, a correspondent writes us that he can hear of no one, scarcely, who has more than $5 at a time. Many men, who are out of debt on their own account, are forced into bankruptcy on account of security debts. Lands, even on credit, are sold at one-tenth their value, and at cash sales they do not bring five cents in the dollar, compared with their value before the war. Such a state of things will soon be beyond remedy. And it is all the result of the Radical policy of Congress. A settlement of the difficulties of the nation might have been effected in six months after the war, but the demoniacal spirit of partizan revenge has crushed the life out of the Southern people, in many sections, and still the end is not yet.

No portion of the State has greater resources of wealth, than our Northern and Eastern counties. The farming lands of that section are of the best kind. Yet, owing to peculiar circumstances, no portion of the State is suffering more than some of those counties. Rich lands, slave labor, and high prices, made them peculiarly liable to be crushed by the abolition of slavery.—Only the few, and very few, have been able to hold their heads above the calamities of the times. The scarcity of money, the avarice or necessities of creditors, and general indebtedness, have fallen with crushing weight upon as generous, hospitable, and energetic a people as we have in the State. They need help. They want relief. Shall they be forced to seek it in bankruptcy or repudiation?

CONSERVATIVE RALLY IN RALEIGH.

According to appointment, a large and enthusiastic meeting of the intelligent and respectable white men of Raleigh was held in the Court House, on Wednesday evening, 4th inst., to ratify the nominations for Governor and other State officers, made by the State Executive Committee of the White Men's Party.

The meeting was called to order by the appointment of Mr. John C. Palmer, as Chairman, and John C. Gorman, Secretary.

M. A. Bledsoe, Esq., in a few remarks, explained the object of the meeting.

On motion of Mr. Chas. M. Busbee, a committee of five was appointed by the Chair to draft resolutions for the action of the meeting.

The Chair appointed Messrs. Moses A. Bledsoe, J. J. Litchford, Jno. W. Dunham, James Seapark and J. J. Overby, as said committee.

During the absence of the committee, Maj. Seaton Gales was called upon for a speech, and, in response to the call, made some eloquent and telling remarks in defence of the organization of the White Man's Party, and in opposition to the malicious and degrading measures which a parcel of characterless political vagabonds, hailing from the four quarters of the globe, and aided and abetted by the vicious and corrupt whites and the ignorant and degraded blacks in our midst, were attempting to force upon the people of the State. He specially alluded to the Militia and School laws, enacted by the majority of the Convention now in session in this city, and in a forcible manner pointed out the degradation which would result from their execution. He was warmly applauded throughout his speech.

Col. J. P. H. Russ, being called upon, made a few pertinent remarks.

After which, the Committee reported, through its Chairman, M. A. Bledsoe, Esq., the following resolutions, which were unanimously adopted:

Resolved, That the nominations made by the State Executive Committee of the Conservative Union party, on the 28th of February last, meet our approbation, and we pledge our cordial and energetic support to the entire White Man's Ticket.

Resolved, That in order to organize more thoroughly and act more efficiently in the coming canvass, we hereby resolve ourselves into a *White Man's Club,* and we earnestly recommend to our friends to organize similar Clubs throughout the county.

Upon being called upon, the meeting was then addressed by Charles M. Busbee, Esq., Messrs. M. A. Bledsoe, R. K. Ferrell, Quent. Busbee, and R. C. Badger, whose remarks met the hearty concurrence of the meeting and were warmly applauded.

The organization of the White Man's Club was then perfected, by the selection of John C. Gorman, as President, J. Q. A. DeCarteret, as Vice President, A. D. Royster and J. J. McGuire, as Secretaries, and Jno. C. Palmer, Treasurer.

On motion, the meeting then adjourned.

J. C. PALMER, Ch'm.

J. C. GORMAN, Sec'y.

The "Constitutional Convention," (So-called.)

NIGHT SESSION.

WEDNESDAY, March 4, 1868.

The Convention was called to order at 7½ o'clock.

The report of the committee on Immigration was taken up.

Mr. Rich, the Chairman of the committee, said that this subject had been lingering long enough. He called the previous question.

The call was sustained, and the question recurred upon Mr. Candler's substitute.—The yeas and nays were called and the vote stood, yeas 21, nays 62.

The ordinance, as amended, was put on its final passage. The yeas and nays being called resulted, yeas 32, nays 66.

Mr. Tourgee claimed the floor, upon the notice which he gave last night, of moving a reconsideration of the vote taken upon Mr. Rodman's *ordinance for relief.* Mr. Tourgee then proceeded to give his objections to the ordinance at considerable length.

Mr. King, of Lenoir, concurred with Mr. Tourgee, and, in an argument of some length, gave his reasons for objecting to it.

Mr. Graham, of Orange, thought that his substitute, offered on a previous occasion, when a measure like this was discussed, would meet the requirements of the case, and, with due deference to the House, he thought it would be much more just. He could not understand why banks could be sued on their notes, when they were not allowed to collect anything due them. In another section, there was much verbiage, to express what could be done in a few words, and it was for the purpose of puzzling and misleading the people. If this ordinance was reconsidered, he would move his substitute. He did not favor a retrospective homestead; he thought them a snare. He was in favor of practical relief and thought it could be best come at by changing the remedy. In his opinion, this ordinance would not stand the test of the Courts. The ordinance of '65, he thought, would much better and more justly in its provisions meet the necessities of the people. As to all this stuff about aristocracy, that was all gammon. In his county the property holders were the men that mainly opposed the war, &c. He agreed, with Mr. Tourgee, that if Congress had the right to destroy the State government, it was responsible for our debts. But he did not admit the constitutionality of these laws of Congress, &c.

After some further debate, Mr. Tourgee called the previous question on his motion to reconsider.

The call was sustained. The yeas and nays were called, and the vote stood yeas 73, nays 29.

Mr. Pool move to postpone the further consideration of this subject and make it the special order for Monday next, at 10½ o'clock, and that his two ordinances on relief be considered in connection with it.—Agreed to.

The House soon after adjourned.

MORNING SESSION.

THURSDAY, March 5, 1868.

The Convention was called to order at 10 o'clock.

Prayer by the Rev. — Eppes, (negro.)

Mr. Holt arose to a question of privilege. He said that his resolutions, (about Holden and the assassination of President Lincoln,) offered yesterday, had been treated with contempt and thrown out. He offered the following protest, and asked that it be put on the record:

"As the resolutions which I offered, yesterday, with reference to the assassination of Abraham Lincoln, late President of the United States, and alleged complicity of W. W. Holden in that foul crime, were not allowed to be read in this Convention, I do, in the name of the people of Orange county, solemnly protest against this outrage upon their rights, by refusing to their representative on this floor an undeniable matter of justice, in violation of the rules of this body and of all parlimentary rules and usages. E. M. HOLT."

Mr. King, of Lenoir, moved that the protest be returned to the introducer, as was the resolution.

Mr. Holt said the House would not wait to hear the resolutions ever read. The charges contained were made all over the State.

While Mr. Holt was speaking, the Speaker's hammer fell and he called Mr. Holt to order.

Mr. Holt said he was speaking in regard to his resolutions, and he wished his protest entered on the records.

Mr. Durham said that the reason why Republican members would not allow the protest to be entered, was from *sheer cowardice*, and it was an infamous and cowardly outrage. He demanded the right for Mr. Holt to enter his protest, and if you refuse it to him, it will be in perfect keeping with the tone and temper of this body, and we denounce such a proceeding as arising from abject and sheer cowardice on your part.

Mr. King's motion to return the protest was put and carried.

Mr. Sweet called up the resolution, reported by the Committee on Privileges and Elections, in regard to vacating the seat now occupied by Mr. Williams, of Sampson, (Conservative) in favor of one L. D. Hall, (a Radical.)

Mr. Durham objected to it, as being out of order.

The Chair decided in favor of Mr. Sweet, and the Report was read.

Mr. Fullings, the Chairman of the Committee, moved its adoption.

Mr. Williams said he felt it to be his duty to defend his seat from this outrageous and fraudulent attack. This case, some time ago, was referred back to the Committee, with instructions to send for persons and papers. *He had never been summoned* to go before it. A gentleman was in town, one or two days ago, who was anxious to go before the Committee, and asked him (Mr. Williams) to have it assembled, who could have proved that in a precinct men voted who had previously voted for men who were no candidates. But he (Mr. W.) felt a delicacy in acting in the matter, and, besides, it was the duty of that Committee to have sent for him. He could *prove,* if allowed to do so, that there were not only 20 or 25 men in the County, by the name of Hall, but men known to the poll-holders voted for men that were well known not to be candidates. Now, you have sent your report to Gen. Canby, without having sent, as you were directed by the Convention, for persons and papers. If you sent for any, you collected evidence all on one side.

Mr. Durham said that he held in his hand an affidavit from one of the poll-holders of a precinct, with the county seal stamped upon it, showing that the votes for Ransom Hall, Randall Hall and Rance Hall were cast for different persons, and knowingly, too; and even were there not a general order from Gen. Canby to that effect, the votes would not be allowed for a candidate, unless the full name was upon his ticket. But we know what course you will pursue in this matter. Mr. Williams is a Conservative, and, therefore, you will expel him. But we protest against the infamous proceeding.

Mr. Graham, of Orange, said the Committee might have evidence to satisfy it, but he had heard none. The first report was found totally insufficient. It was recommitted for further evidence, and that now presented does not furnish an iota of evidence; it only stated an opinion and says not a word about any evidence to substantiate it. Where is your evidence? Produce it now before this Convention. Were you not directed to send for papers and persons in this matter, and report upon the evidence that you might obtain? Now you have not brought a shadow of evidence to show that the votes cast for these various Halls were meant for this Hall. But Mr. Williams has shown, conclusively, that they were not. I protest against this outrage.

Mr. Carter said that he had circulated the name of S. D. Hall, and had always heard him called *Rans.* Hall. At one precinct, the poll-holders said it should be Randall Hall; at another Ransom Hall.

Mr. Durham: Do you know anything of the other precincts?

Mr. Carter: No sir.

Mr. Durham asked Mr. Abbott, what was the law in New York about this matter.

Mr. Abbott said the votes were counted for the persons intended, *but those who cast them were always summoned before the investigating committee.*

Mr. Durham: Yet, sir, you propose to turn Mr. Williams out of his seat, on merely the *assumption* of a Committee, which has not allowed Mr. W. an opportunity to defend himself, and without taking steps to inform themselves concerning the matter, as directed by the Convention.

After a running debate on both sides,

Mr. Fullings called the previous question. The call was sustained on the adoption of the report, the yeas and nays were called and resulted in the following ballott.

Those who voted in the affirmative were: Messrs. Abbott, Ashley, Bryan, Carter, Candler, Chillson, Colgrove, Congleton, Dickey, Duckworth, Fisher, Forkner, Fullings, Gahagan, Garland, Garrett, Glover, Graham, of Montgomery, Gunter, Harris, of Wake, (negro,) Harris, of Franklin, Hayes, of Robeson, Highsmith, (negro,) Hobbs, Hood, (negro,) Ing, Lee, (negro,) Logan, Long, Mann, May, Marshall, Morton, Newsom, Pierson, (negro,) Rhodes, Smith, Stilwell, Sweet, Teague, Tourgee and Tucker.

Those who voted in the negative were:—Messrs. Baker, Bradley, Daniel, Durham, Ellis, Etheridge, French, of Bladen, Graham, of Orange, Grant, of Wayne, Hare, Hodnett, Hollowell, Holt, Hyman, (negro,) Jones, of Caldwell, King, of Lenoir, Kinney, Laflin, Legg, Lennon, Merritt, McDonald, of Chatham, Moore, Nicholson, Patrick, Parks, Ray, Read, Renfrow, Sanderlin, Stilly and Welker.

Andrews, Eppes, (negro,) French, of Rockingham, Mayo, (negro) McCubbins, Mullican, Parker, Ragland, Williams, of Wake, and Williamson, (negro,) were excused from voting, as they were not satisfied about the matter.

Messrs. McDonald, of Chatham, French, of Bladen, King, and Nicholson voted with the Conservatives, as they did not think they could vote consistently to turn Mr. Williams out.

Mr. Durham gave notice that the Conservatives would offer the same protest as they did yesterday.

Mr. Williams said, in retiring, that he defended his seat because he thought it a duty which he owed to his constituents.—But, *personally, he thought it an honor to be expelled from such a dirty concern!*

SPECIAL ORDER.

The report of the Committee on Towns and Cities was read.

Mr. Tourgee, the Chairman, explained the various features and points.

The various sections were much discussed, several of them amended, and, finally, the article, as a whole, was put on its passage. The yeas and nays were called and it was adopted by a party vote, yeas 83, nays 10.

[Our limits preclude an abstract of the discussion on this article.]

Mr. Tourgee moved to make the 3rd reading of the article the special order for 10½ o'clock, on Saturday next. Carried.

On motion of Mr. Abbott, the report of the Committee on Finance was made the special order for Saturday.

Mr. Rodman moved to make the Judiciary article the special order for Friday evening next. Agreed to.

Mr. McDonald, of Chatham, called up his ordinance in regard to relieving H. B. Guthrie, Sheriff of Orange, of a fine of $1,000. A letter was read from the Public Treasurer in regard to the matter.

Galloway, (negro,) moved the adoption of the ordinance.

After some little debate it was adopted.

Harris, of Wake, (negro,) moved to take up his resolution in regard to stopping the *per diem* after the 15th inst.

Galloway, (negro,) moved to lay the motion on the table.

By permission, Mr. Rodman introduced an ordinance extending the time for the registration of deeds. Lies over.

On motion of Mr. French, of Bladen, the House adjourned.

NOTE.—Mr Heaton said in voting for the 14th section of the report of the Committee on Counties, Towns, &c., he was satisfied that debts incurred exclusively for purposes of humanity and benevolence would not be considered as debts contracted to aid the rebellion.

THEN.

"WHO WILL PLOT FOR THE HEADS OF ABE LINCOLN AND GEN. SCOTT?"
—*W. W. Holden, June 5th,* 1861.

NOW.

"Our beloved State will once more put on the garments of prosperity; and our people will be contented and happy through the long ages reserved for the existence of the government which Washington established, and which LINCOLN labored and died to preserve!

Fraternally yours,
W. W. HOLDEN, President.
JAS. H. HARRIS, 1st Vice Pres.
A. H. JONES, 2nd Vice Pres.
C. W. HORNER, Sec'y."

(Closing sentence of the address to the U. L. A. in N. C. January, 31, 1868.)

AWFUL MURDER.—Young Harris, (negro,) was committed to jail in this place Saturday evening last, charged by the Coroner's Jury of inquest, of having murdered his step-son, a young man of about 18 years of age. The circumstances, as detailed by the witnesses examined by the Coroner, make up a case of cruelty rarely if ever equalled in this part of the State. The victim was literally whipped to death—beaten from day to day for more than a week, sometimes with hickories; at other times with a leather strap; at others, with a rope; and still at other times with a paddle. On last Thursday morning, his unnatural father commenced the chastisement, before it was day, and kept it up until some school children were passing near his house on their way to school. On seeing them approaching, he stopped whipping and drove his son into a kitchen. And after the children had passed, he went into the kitchen, tied the young man by the feet, threw the rope over a joist log, and hauled him up in that position, his hands barely touching the floor. He then commenced beating him with his usual weapons. The sister of the young man, about grown, said this was the condition of things when she left the house to go to the spring for water; and that when she returned her brother was lying on the floor, *dead.*—*Old North State.*

MARRIED,

THE SENTINEL.

CAMPAIGN PAPER.

The Weekly *Sentinel*, during the canvass, will be made a vigorous and earnest campaign paper for the Conservative cause. We invite our friends to send us clubs at the following rates:

Clubs of ten for Weekly Sentinel, for 3 months, $4, cash in advance.
Clubs of twenty for Weekly Sentinel for 3 mo $7.50 cash in advance.

A greater number at same rates of discount.

Every Conservative is constituted an Agent to send us clubs.

SENTINEL FOR CONVENTION.

Our friends who subscribed for the *Sentinel*, during the Convention, are admonished that that body proposes to adjourn in a few days. Those who desire to continue it longer, will please renew at once.

PEABODY FUND.—Rev. Dr. Sears, the General Agent of the Peabody Fund, has been in the city, and we learn that, for the purpose of encouraging the education of the white children of the city, he proposes to the authorities, if the city will raise $1,500 for the education of white children to be sent to schools already in operation in the city, or to be put in operation, he will advance $1,000 of the interest of the Fund, to aid in that object. The authorities have the matter under consideration and will raise $1,500. Such indications of interest in our condition, on the part of Northern friends, is received by all as a token of good. We hope the citizens generally will aid in this matter, liberally.

THE MEETING ON WEDNESDAY NIGHT.—We have rarely seen in Raleigh a more enthusiastic or every way respectable meeting, than was the Conservative gathering on Wednesday night. The Court House was crowded with *white men*—embracing many of our oldest and most respected and worthy citizens. The speeches, generally, were in fine spirit, and were received with much applause. The proceedings will be found in another column. It is the purpose of the *White Men's Club* to hold weekly meetings during the canvass, of which the President will give due notice.

WE WOULD be glad, if we had but the space, to publish extracts from the Conservative papers of the State, showing the spirit and energy with which they have entered upon the campaign. Within our observation, we have never seen a more enthusiastic exhibition of activity and zeal, and, we may add, greater ability, on its part. The tone of the Press is, of itself, a harbinger of success.

WE LEARN that Holden's appointments are almost exclusively confined to the East. He is looking, solely, to the vote of the large number of *negroes* in that quarter. He dare not go before the white men of the West and advocate his debasing and infamous doctrine of nigger supremacy. When he confines himself to the negroes of the East, he selects his proper and fit company.

THE PROCEEDINGS of Conservative meetings in Burke, Orange and Alamance have been received and shall appear.

THE LAND WE LOVE.—The March number of *The Land We Love* contains seventeen articles, from able writers, representing eight Southern States. Among the poetic contributors, in this number, are Mrs. Margaret J. Preston, Dr. F. O. Ticknor, Judge A. J. Requier, and J. Augustine Signaigo.—Among the prose writers are Rev. Dr. Dabney, Miss Porter, Gen. Hodge, Hon. W. H. Ravenel, T. C. DeLeon, Esq., &c. Soldiers will feel an interest in the two military articles in this number, the lovers of fiction in the two thrilling stories, agriculturalists in the article on Japan Clover, literary men in the article on Mr. Dickens' Readings, and the whole country in the account of the Burning of Columbia.

THE GOLDSBORO *News* pays a high and merited compliment to Geo. V. Strong, Esq., the Conservative nominee for Judge in the Third District. Mr. Strong is one of the finest lawyers and most accomplished gentlemen in the State, and would adorn any office which he might be called upon to fill.

THE CONSERVATIVES of Washington, Beaufort County, propose to hold a grand mass meeting on Wednesday, March 18th., to consider the great issue of the day and to nominate *white* candidates for the Legislative and County offices.

The *Old North State*, speaking of the campaign paper to be published by H. H. Helper, and to be called the *Holden Record*, says: "The editor has assumed, *for a patriotic purpose*, a very nasty job, and ought to be well rewarded for it."

A MERITED COMPLIMENT.—The following correspondence, which we publish, by request, speaks for itself. The compliment to Mr. Hunter is well earned by his energy and enterprise:

RALEIGH, March 1st, 1868.

Capt. J. B. Hunter, Portsmouth, Va:

DEAR SIR:—As business and personal friends, admirers of commercial energy and enterprise, we have had prepared this case, gold mounted and suitably inscribed, and desire to present it to you as a testimonial of the appreciation which you enjoy here in the Capital city of the Old North State.

In the by-gone, in other pursuits, your name was enrolled among the honorable and chivalric, when heroic daring and fortitude were demanded; now, in a not less arduous, but peaceful vocation, the same distinction has been won.

In all transactions with us, many of them delicate and responsible, unselfishness, promptness, liberality and honor, have unvaryingly distinguished your conduct. We honor you for all the qualities of heart and head which are pre-requisites for the honest, successful merchant; and we trust that this token of regard may be indeed a "staff of life" to you.

Accept this case, now, as a mark of your worth—henceforth the passport to our confidence and friendship.

Truly Your Friends,

B F Cheatham & Bro.,	Upchurch & Dodd,
G T & W C Stronach,	E J Parish & Co,
Lynn Adams,	A B Andrews,
J M Blair,	W H Jones & Co,
J G Williams & Co.	Albert Johnson,
A P C Bryan,	L E Heartt & Sons,
Williams & Haywood,	Rufus K Ferrell,
W Hal Harrison,	W B Gulick,
Jordan Womble, Sr,	W C Upchurch,
Len H Adams,	W H & R S Tucker & Co,
J Brown, (with Hart & Lewis.)	

PORTSMOUTH, VA., March 3, 1868.

B. F. Cheatham, Esq., and others,

Raleigh, N. C:

The regard you have evinced for me fills me with gratitude and proud satisfaction.—Thanks cannot express the emotions that stir my heart at this demonstration. It will be cherished as one of the brightest epochs in my life, and often recurred to with no ordinary delight.

Through you, Mr. Chairman, I return my heartfelt thanks to the donors of this beautiful case, and, for the flattering manner in which you have been pleased to refer to my business transactions during the few pleasant weeks I have spent among you, this season, I am duly grateful. I receive the handsome present with the assurance that it will ever be "wielded in defence of" truth and honor, and handed down to *my grand-children* as an heirloom of your kindness and appreciation of what you have conceived to be honorable adherence to rules that should ever regulate business transactions. It will ever serve to remind me of the golden rule to "do unto others as we would have them do unto us;" and in adhering to this precept, I am sure of fulfilling the letter of the Royal law.

More especially is this token valued, as coming from citizens of my native State,

"Heaven's blessings attend her."

It will be valued as an appreciation of regard, a memento of that high-toned liberality that Virginia is ever proud to acknowledge as characteristic of the generous sons of the Old North State.

Yours very truly,

J. B. HUNTER.

For the Sentinel.

A SOUTH CAROLINA POLITICIAN of the olden time—an Ex Governor, too—boasted that "he was born insensible to fear," and was at the time much laughed at for his boast. Another Ex Governor imitates his illustrious example, and assures the world and the rest of mankind, that he "fears no man under the canopy of Heaven." Does he remember that squad of Benning's Brigade? Has he forgotten that rapid Hegira down the back street? Is he oblivious of the large quantity of blockade brandy required to lift him up? As North Carolina is presumed to be under the canopy of Heaven, and Benning's brigade were probably men, and he who has been a Governor, and aspires to be one again, is presumed to speak the truth, the inference is, that this tall walking and sinking of heart were not to be attributed to cowardly fear, but rather to a prudent caution—that discretion which is said to be better than valor

Again, it was asserted by one of our citizens in a public speech in Wake County Court House, not long ago, that "there was a sound of *rat-tle-ing* by night," and on many nights, after the Hegira aforesaid, among the corn-stalks that surrounded his dwelling, which had been offered and gratefully accepted as a house of refuge to this persecuted patriot, whenever alarmed by his fears.

Once more. In this very same speech, and only half a dozen lines below, he reminds the Unsophisticated Heroes of Africa, how very kind they were on New Year's Day of last year, "when a body of my colored friends escorted me to the African Church in this City for *fear of assassination!!!*" And still, like his own old rooster, he claps his wings and crows "I fear no man, under the canopy of Heaven!" "I never knew so full a voice issue from so empty a heart," said that shrewd observer of men, old Will. Shakspeare. Those who shake themselves and, looking very savage, bellow out, like mine ancient Pistol, "bid him prepare—for I will cut his throat," are usually very harmless creatures; and, like that pompous brave, have "a killing tongue and a quiet sword." Truly is the better part of valor (sometimes) discretion. And though one may be "valiant as Hercules," still, it is often wisdom to suppress exuberant valor.

"He who wisely runs away,
May live to fight another day;
But he who is in battle slain,
Will never live to fight again."

Only let him not say "I *fear* no man under the canopy of Heaven." It savors of vain boasting. Q

BANKRUPTCY.—Nearly one thousand persons have, we learn, been registered in the office in this city, at an expense, we imagine, of costs, &c., &c., of not much less than one hundred dollars in each case to the Radicals and their parasites who constitute the officials of the bankrupt court. If this statement of the number of bankrupts and estimate of costs is correct, some idea may be formed of the truly deplorable condition of our people. For the enormous and most flagitious expenses which devour the assets of a bankrupt, no doubt, prevent seven out of every ten men who have been ruined by the war from venturing into the court for "*relief.*" We do not entertain a doubt that if the expenses attending going through the bankrupt courts were less, that the revelations which they afford of the condition of our people would be far more appalling than at present.—*Rich. Examiner.*

Very singular! When the Tenure-of-office bill was vetoed by Mr. Johnson, the veto message was written by Secretary Stanton. Now Secretary Stanton is the first man to have the benefit of the act.

MR. JOHNSON WILL BE PRESENT.—It is not imperative that the President should be present during his trial, but he has already expressed a determination to be present.—*Wash. Cor. Balt. Gazette.*

CONGRESS—THE IMPEACHMENT TRIAL BEGUN!

WASHINGTON, March 5, P. M.

HOUSE.—A bill, introduced to-day, provides a successor, should the Chief Justiceship become vacant. The oldest commissioned Judge succeeds until the Chief Justice is duly appointed.

A resolution to print 3,000 extra copies of the Impeachment Articles was adopted.

The Committee on Banking and Currency was directed to enquire into the expediency of so amending the Banking laws, as to relieve the State Banks in process of liquidation from monthly statements and tax on circulation.

A motion was made that the House, in Committee, attend the Impeachment Managers to witness the organization of the Court, but was withdrawn, at the suggestion of Bingham, that only the Managers were expected and there were no accommodations on the floor of the Senate.

The House Managers withdrew, followed by many members leaving about forty in the House, who proceeded with the Tennessee election case. For the first time, for several years, the Democrats found themselves in a majority in the House of Representatives. Without concluding the election case, adjourned.

SENATE.—A resolution of thanks, from the South Carolina Convention, to Grant and Stanton, was presented.

Chief Justice Chase appeared, supported by the Committee. The Managers followed, supported by a large number of the members of the House.

Wade announced: "All business will now be suspended, for the purpose of proceeding to business required by the impeachment of Andrew Johnson, President of the United States.—The chair will now be vacated for that purpose."

Chase advanced and took the Chair and said:—"*Senators*: I am here in obedience to your notice, for the purpose of proceeding with you, in forming a Court of Impeachment, for the trial of Andrew Johnson, President of the United States I am ready to take the oath."

Judge Nelson administered the oath, prescribed by the Senate rules of procedure

Judge Chase then administered the oath to Senators in alphabetical order, until Wade approached, when Mr. Johnson objected to his becoming a member of the Court, because he had contingent interest.

A discussion ensued, lasting until 5 o'clock, when, on motion, Judge Chase adjourned the Court,

Wade then resumed his seat, and, on motion, adjourned the Senate.

FROM WASHINGTON.

WASHINGTON, March 5, P. M.

No progress whatever was made, during nearly four hours debate, this afternoon, in the Senate Utter confusion prevails regarding the mode of procedure. A dozen Senators spoke—no two agreeing upon the details developed during the discussion. Among the points made were:

That Wade, having an interest, had no right in the Court;

That being a Senator of Ohio it was his duty to act and vote;

That though Wade had a right to vote, it was a matter with his own conscience, and that when the President came to the bar, it was time to make challenge.

That the President had no right, whatever, to challenge the Judges the Constitution provided for him;

That it was the duty, in organizing, to keep the organization pure;

That if at the end, the scales were equally balanced, that into which you threw Wade's personal interest would kick the beam;

That they were a Court;

That with only half the members sworn they were neither one nor the other.

Thus the argument progressed until nearly 5 o'clock, when a Senator, remarking that Judge Chase had been on duty since 10 o'clock, moved an adjournment.

The Managers were in attendance all the evening, evidently impatient to begin work.

Large numbers visited the President to-day.

Stanton still *sleeps* in the War Department.—Thomas goes there for his private mails.

Revenue to-day $725,000.

Judge Chase adjourned the Supreme Court at one o'clock, for one hour, expecting to return from the Senate in that time. Not coming, Judge Field adjourned the Court till to-morrow.

MARYLAND LEGISLATURE.

ANNAPOLIS, March 5, P. M.

Three unsuccessful ballots for Senator to-day.

MARKETS.

NEW YORK, March 5, P. M.

Cotton rather more steady. Sales of 6,500 bales at 25@25½.

Turpentine 73@73½. Rosin 3,14@7.

Gold 1,41½. Sterling dull at 9½. Coupons of '62 10½. North Carolinas 61½. Georgias 71.—Virginias, new, 44½.

BALTIMORE, March 5, P. M.

Cotton very strong at 25.

Flour active and unchanged.

WILMINGTON, March 5, P. M.

Spirits Turpentine firm at 66. Rosin steady; strained and No. 2, 2,40. Tar firm, 2,30.

Cotton quiet; middling 23.

JUST SO.—The New York correspondent of the Philadelphia *Ledger* says that the tenor of private telegrams said to be from Democratic members of Congress is equally, and leads to the belief that the President will certainly have to go. A telegram in the New York *Tribune* says the same opinion is almost unanimous in Washington.—There is very little room for doubt, we imagine.

NOTICE!

Will be sold, at the Court House door, in the City of Raleigh, on Saturday, the 11th day of April next, the land belonging to the estate of Simon Rogers dec'd, lying in Wake County, on Beaver Dam branch, containing about

ONE THOUSAND ACRES,

well adapted to the cultivation of CORN, COTTON, WHEAT, &c.

The Land will be sold in two or three Tracts, one of which is subject to the widow's dower.

Terms made known on day of sale.

A PLAN OF ORGANIZATION.

STATE ORGANIZATION.

A State Committee, to consist of a Chairman and thirty members,—six of whom shall reside in Raleigh, and three in each judicial district—to be appointed by the State Convention.

The Committee shall have power to maintain its organization, by filling vacancies, &c., and shall take charge of all matters relating to organization, registration, &c., and a proper canvass of the State.

DISTRICT ORGANIZATION.

The members of the State Committee in each judicial district shall constitute a district Committee for their respective districts and shall appoint a Chairman, and shall take charge of all matters relating to county organization, &c., in their respective districts; and shall report all matters relating thereto, to the Chairman of the State Committee.

COUNTY ORGANIZATION.

It is recommended that each County, by popular meetings or through the medium of existing organizations, appoint a County Committee, to consist of at least two persons from each Captain's District within its limits.

The County Committee shall take charge of all matters of registration, local organization, &c., within the County, and is requested to make monthly reports to the Chairman of the District Committee, and, when necessary, to inform him of such local matters as may require the attention of the District Committee.

It is further recommended that each County Committee cause to be enrolled the names of all the registered voters of their county, who are willing to act and vote with this organization—no man to be thus enrolled without his express consent; and, also, that they cause to be enrolled on a separate list the names of all those who are entitled to register, but who have not done so, and that they use every exertion to secure their registration and active co-operation.

Resolved, That the President of the Convention appoint five or more persons, in each County, to make a thorough canvass of the same, and disseminate proper political information.

DECLARATION OF PRINCIPLES.

The Conservative people of North Carolina having, by their delegates, assembled in Convention at Raleigh, on the 5th. of February, 1868, to consider the present anomalous condition of the State, and of the country, and to consult together upon the grievances which now afflict and threaten them, and the course of action proper to be adopted in the trying circumstances which surround them, do resolve and declare

1. Our unalterable devotion to the principles of Constitutional liberty and our fealty to the government of the United States, as set forth in the Federal Constitution. That we sincerely and in good faith accept the legitimate and legal results of the late war, and do hereby reiterate our oft repeated declaration, that we most heartily desire peace and concord with our sister States and with the entire people of the United States.

2. *Resolved*, That regarding the Constitution of the United States as the source of all power in the administration of the government, and that the powers of the Executive, Legislative and Judicial departments are equal and co-ordinate, as defined by that instrument, we do respectfully and solemnly protest against the enforcement upon our people of the Reconstruction Acts and policy of Congress, as unconstitutional, unwise and destructive to society, and violative of that great principle of American politics, that each State shall have the exclusive control of its own internal affairs.

3. *Resolved* That it is the opinion of this Convention, that the great and all absorbing issue, now soon to be presented to the people of the State, is negro suffrage and negro equality, if not supremacy, and whether hereafter in North Carolina and the South, the white man is to be placed politically, and, as a consequence, socially, upon a footing of equality with the negro, and, in many localities, subject to his government as a superior. That we are utterly opposed to such change in our government and in our social relations, and that we do hereby earnestly recommend to the people of the State to manfully meet the issue now attempted to be forced upon them, and to use every proper means within their power to avert the impending mischief.

4. *Resolved*, That while we are unalterably opposed to political and social equality with the black race, we yet have no unjust prejudices against that race; that we are determined, by just laws, to protect them fully in all their civil rights, and to confer upon them all privileges which can be done consistently with the safety and welfare of both races.

5. *Resolved*, That the distressed and impoverished condition of our people earnestly demands the speediest and wisest measures of relief that the Legislature can devise.

6. *Resolved*, That this Convention recognizes, with feelings of gratitude, the heroic and patriotic efforts of the President of the United States, to restore the Union and harmony and good will among the American people.

7. *Resolved*, That this Convention regards the Supreme Court of the United States as the legitimate expounder, in the last resort, of the Constitution—and believe that its rights and powers, in that respect, should be preserved intact, as established by law in the earlier and better days of the Republic, and that any serious impairment thereof, by legislation or otherwise, will be destructive to the best interests of the country, and dangerous to the liberties of the people.

8. *Resolved*, That despairing of any restoration of the Southern States under the conduct of that organization which now controls the proceedings of Congress, waiving all former party feeling and prejudice, this Convention does most unhesitatingly recommend and invite the hearty co-operation of all the good people of North Carolina with the Democrats and Conservative men of the North and West, who are now nobly struggling for the maintenance of the Constitution of the United States and the restoration of the Southern States to their rights in the Union on the solid foundation of harmony and peace.

9. *Resolved*, That this Convention elect four delegates and four alternates, for the State at large, to represent the Conservative people of North Carolina in the next Democratic National Convention, and that it recommend to the Conservative people of the several Congressional Districts, to appoint delegates at an early day to represent them in said Convention.

10. *Resolved*, That when an election shall be ordered for the ratification of a new State Constitution, the Executive Committee for the State, which has been appointed by this Convention, be instructed, if the time shall be sufficient, to call a Convention of the Conservative people of the State, to put in nomination candidates for the various State offices whose election shall then be ordered; and if there shall not be sufficient time to call said Convention, to put in nomination sound Conservative men for said offices.

Seaton Gales, } Editors.

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st. DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co-ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any. The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.
